## Whyte Museum suspends operations during current pandemic

The Whyte Museum of the Canadian Rockies has been closely monitoring the current situation around the novel coronavirus (COVID-19) pandemic.

To ensure the safety of both our staff, visitors, and community **the Museum, Archives, and reference services will be closed from Monday, March 16 to Wednesday, April 1.** All public events and programs scheduled during this time are cancelled and will be rescheduled where possible.

We will continue to monitor the situation closely.

Please check our website at [whyte.org](http://whyte.org) for important updates.

We thank you for your understanding during this unusual time.

Donna Livingstone,  
Chief Executive Officer
